In addition to the training of youth and the industry professionals, NFDC can now offer:

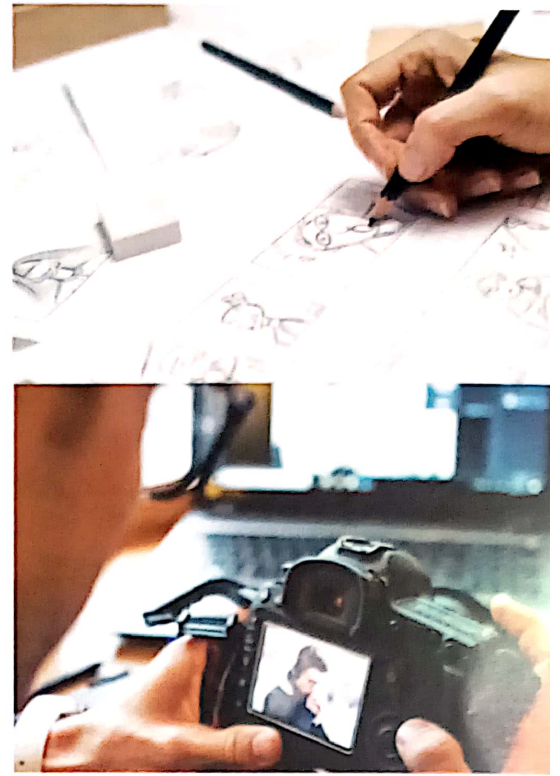

Establishment of a Centre of Excellence in various states using a PPP (Public Private Partnership) model
Implementation of the Training of Trainers (TOA), Training of Assessors (TOA), Training of Master Trainers (TOMT) and Training of Master Assessor (TOMA) programs.

Implementation of Pradhan Mantri Kaushal Vikas Yojana (PMKVY) scheme such as Recognition of Prior Learning (RPL), Short term training program.

CSR with private industry partners and Special Projects implementation of training program
Join hands with State Government and Central Government projects for skill development training program.

Empanelment of Assessment Agency for conducting Online/Offline Assessments.

In addition to this, several skill developments workshops have been undertaken during Film Festivals.

BENEFITS

Networking within the Industry – networking platform to meet and network with industry players both from India and abroad (will get opportunities to attend industry-focused workshops/webinars).

Train the Trainer facility to enhance the quality of existing in-house trainers involved in training.

Reduced in-house training cost due to availability of industry ready personnel.

Reduced labour cost due to abundance of uniformly skilled manpower.

Higher productivity at workplace.

Reduced incidence of Health Hazards and improved Safety standards.

NFDC will closely work with members for participation in various industry oriented and Govt. funded programmes like Recognition of Prior Learning (RPL), National Apprenticeship Promotion Scheme (NAPS), Special Projects & Projects under Corporate Social Responsibility (CSR).

Opportunity to host/participate in events Job fair, Exhibitions etc.

Periodic Newsletters to keep updated about the news about Media and Entertainment related industries.

Regular update about the industry related policies by Government.
